

Safe skiing with **distance!**

The Ski School Pitztal will try to provide our guests an impressive winter experience in the upcoming winter season 2020/21. To protect the health and safety of our guests and employees, we have prepared the following measures and recommendations:

+ Outdoor sport / Keep the distance

In general skiing is taking place in the nature, where the risk of infection will be less. We are trying the best to keep the minimum distance of 1m to everyone. Where it will be not possible all people have to wear a filtering facepiece, exception kids until the age of 6 years.

[+ Online booking](#)

To reduce the stay in one of our Ski School Offices, please book your courses online or send a request per [e-mail](#). Then the meeting point will be straight outside.

+ Extension of the meeting points

The meeting points will be extended to keep the distance easily.

+ Group size

To keep the distance during the group lessons easily, the size will be reduced on 9 participants and 1 Instructor. We'll also try not to mix the groups during the week.

+ Safety west

To avoid a stay in our Office, the safety west will be given straight from the Instructor to the kids at the meeting point. A deposit of € 5.- have to be given to the Instructor.

+ Bambini lessons

For the 3-4 year old kids the courses will be divided in 2 hour lessons during the morning and in the afternoon.

+ Lift facilities

Please follow the Covid-19 rules of the lift companies.

+ Assistance

If the distance of the Instructor will be less than 1m in case of emergency during the lessons, the Instructor and the client have to wear a filtering facepiece.

+ Guests with symptoms of illness

When symptoms of illness appear, especially Covid-19 symptoms, it is not possible to take part in the ski course. We ask for your understanding! This is the only way we can protect each other.

+ Possibility to cancel

When the course was booked online it can be canceled free of charge when there will be a travel warning for Tyrol.

+ Safety for our employees

Our employees will implement and agree our Covid-19 recommendations for you responsibly. We assure to use all possibilities in terms of security! Our employees are equipped with mouth and nose protection.

+ Hygiene / cleaning

Our facilities (ski school offices, warm-up room, Kinderland, practice areas, etc.) are constantly cleaned and disinfected.
